

SPORTS SIMULATOR UNVEILS GAME-CHANGING INNOVATIONS IN FOOTBALL TECHNOLOGY AT THE PRESTIGIOUS SOCCEREX 2024

Miami became the epicentre of cutting-edge football technology as Sports Simulator unveiled a suite of innovative game challenges at SoccerEx 2024, solidifying its position as the leader in the sports simulator industry. Designed to keep entertainment businesses at the forefront of commercial trends, these advancements enable venues such as sports bars, stadiums, theme parks, family entertainment centres, and leisure centres to boost revenue. The event highlighted groundbreaking features, including Session Play, Data Capture Simulator, Sports Marketing tools, and Live Camera technology, alongside skill-enhancing innovations showcased in Enhanced Training, Major League Simulator, and the Enhancing Sports Stadiums programme on their website. Esteemed clients like Real Madrid World, Post Box Sports Bar, and San Diego Football Club are already reaping the benefits of these developments. The centrepiece at SoccerEx 2024 was the Football Simulator, drawing top players, executives, and sponsors eager to experience the latest in game-changing football technology.
