

## THE SPORTS SIMULATOR SHINED AGAIN WITH FOOTBALL PROVING TO BE THE POPULAR SPORT WITH THE SAUDI AUDIENCE

The recently concluded Saudi Entertainment Attractions Expo (SEA EXPO) 2024 marked another significant milestone, building on the success of last year's event. GEMM Productions once again captivated audiences with the revolutionary Sports Simulator, which has proven to be a crowd-puller. In 2023, the SEA EXPO showcased Britain's best leisure technology, with the Elite Sports Simulator at the Experience UK stand drawing significant attention. Visitors were enthralled by the immersive experience of the Sports Simulator taking on sports challenges inside iconic stadiums. This year, the Sports Simulator is back, featuring the latest Newcastle Stadium enhancements, new game challenges and even more immersive environments and sporting venues. The product's ability to provide realistic sports experiences was further enhanced, offering new challenges and even more immersive environments. Congratulations to the Saudi PIF's SEVEN and Qiddiya Investment Company on their successful merger. The collaboration between British expertise and Saudi enthusiasm highlighted the synergy of technological innovation and passionate engagement, creating unforgettable experiences. The SEA EXPO 2024 reinforced the importance of leisure technology in modern entertainment, with GEMM Productions at the forefront of this movement. Reflecting on another year of enthusiastic engagement, it's clear that the future of sports simulation is bright. The SEA EXPO 2024 provided an excellent platform to showcase the best in leisure technology, boosting a deeper connection between sports and fans within the Middle East.
