

CENTARA MIRAGE HAS OPENED IN THE UNITED ARAB EMIRATES OFFERING GUESTS THE ULTIMATE ENTERTAINMENT EXPERIENCE

Centara Mirage Beach Resort in Dubai, a renowned name in luxury hospitality, has taken a giant leap in redefining their guest's experience. The resort proudly introduces the Sports Simulator, bringing the world of entertainment to its visitors within the cool and comfortable confines of the resort. This innovative addition provides a diverse range of sports and gaming experiences. From playing a round of golf on renowned courses to perfecting your Football skills in the Dubai Virtual Environment. This ensures that the entertainment needs of their guests are met without having to step outside the resort. The resort's Simulator area is open at different times for different ages to enjoy over 60+ Sports, 1,500+ Challenges, and 3,500+ Sporting Stadiums. The benefits are evident; guests no longer need to brave the scorching Dubai heat to enjoy their favourite sports. Instead, they can indulge in their passion within the resort's air-conditioned comfort. It's not just about sports enthusiasts; the Sports Simulator is aimed for families, friendly competitions among friends and even corporate team-building events, making their stay even more memorable. This integration reflects the resort's commitment to offering a comprehensive and memorable experience. Dubai is a city known for its grandeur and innovation and the Sports Simulator aligns seamlessly with this ethos. It ensures that every moment of the guests stay is filled with entertainment, relaxation and enjoyment. The introduction of the Sports Simulator at Centara Mirage Beach Resort in Dubai signifies a monumental shift in the realm of luxury hospitality for all ages. It ushers in a new era of luxury and innovation, making it the ideal place to immerse customers in sports and recreation in this iconic city. [Click to View the Sports Simulator Blog.](#)
