

## GOLFS PERFECT SIMULATOR IS NOW FREE OF CHARGE WITH SPORTS SIMULATOR, SO 2,201 SPORTING VENUES PLAYABLE

GPS GOLF Simulators were the biggest selling golf simulators sold throughout Europe, at the beginning of this century. Due to popular demand, the Sports Simulator now includes the GPS Golf Simulator Engine, with all its amazing features for Free. Ensuring that all GPS customers do not miss out; they can now upgrade to the Sports Simulator. Any establishment considering buying a Golf Simulator, it is by far the best option to purchase the Sports Simulator. That caters for not only the minority of Golfers but the majority of Sports Fans too. As the Sports Simulator now includes Contest Golf with 4 Venues, GPS Golf with 201 Golf Courses, Mini Golf with 8 Venues, Foot Golf with 201 Golf Courses, Contest Frisbee with 4 Venues and Disc Golf with 201 Golf Courses. The latest Graphics User Interface below shows the 28 released Sports, playable on 2,201 Sporting Venues with 539 different Game Challenges, ensuring that the technology is always fresh and appealing, making sure customers will return on a regular basis. GPS Golf was superseded by the GSX Golf Engine and the E6 Golf Engine, which can also be offered with the Sports Coach Simulator, which happens to have the most accurate technology available indoors on the worldwide stage.
