

6+ NEW GAME CHALLENGES NOW PLAYABLE ON 22+ SPORTS, COMPETING UPON 4+ SCENIC LANDSCAPES, MAXIMISING FUN!

Sports Simulators have recently released 6+ Fun Challenges that are playable upon most Sports Indoors. Target Points, Scorer, Striker, Shot, Challenge and Drive; now taking entertainment to the next level. With easy to organise Global Tournaments or In-House competitions, using the ever-expanding library of Sports Simulator Challenges. Keeping customers fully entertained ensuring they return regularly to contest Fresh and Exciting Competitions. Played over several Scenic Landscapes such as Desert, Forest, Range, London with lots more environments in development, which are free upgrades. Used in conjunction with Shot Performance, Digital Video and Flight Analysis, the world's most advanced lessons are easily conducted over several Sports. Super Speed 3D Camera Technology offers without doubt the most accurate measurements, allowing professionals to fully analyse performance. Visually explaining exactly what occurred at impact, during flight analysis and comparing the players' technique from 2 positions. Ensuring Sporting Clubs, Family Entertainment Centers, Sports Bars and Leisure Facilities are re-energised; appealing to those wishing to be fully entertained and those expecting the very best coaching.
