

WORLD'S MOST BEAUTIFUL CITY PARIS; NOW PLAYABLE ON SPORTS SIMULATOR WITH FAMOUS BUILDINGS AS IT'S BACKDROP

France's capital has been brought to life, being fully playable on the Sports Simulator day or night, featuring its most iconic buildings such as the Eiffel Tower, Notre-Dame Cathedral, Arc de Triomphe, Louvre Museum with its Pyramid, Grande Arche, Pantheon, Centre Pompidou, Sacre-Coeur, Statue of Liberty, Stade de France and Parc des Princes. Parisian's unique atmosphere is ensured with the metro underground, bike stands, tables, chairs, morris columns, bus stops, ice cream carts, park benches, combined with 3d moving objects such as french police cars, buses, cars and flags. By having the two most famous stadiums embedded, sporting tournaments are fully playable for fans, like the 2024 Summer Olympics, 2023 Rugby World Cup, FIFA World Cup, UEFA Champions League, Six Nations Rugby. As well as regular international football and rugby matches for the French national and the top Parisian domestic teams. Even though 525+ game challenges are playable, it is possible for custom made game challenges to be created, ensuring a specific marketing feel is developed, on any of the 28+ playable sports. The perfect solution for fresh and exciting entertainment for both men and women of all ages, whether that is in Sports Stores, Shopping Malls, Family Entertainment Centres, Hotels, Leisure Centres, Sports Bars, Cruise Liners, Amusement Centres or Sports Clubs. Sports Simulators are custom manufactured to fit inside any room!
