

CHOOSE UHD SPORTS, GOLF, SHOOTING & RACING SIMULATORS AND SURROUND SUPER SIMULATORS

North and South Carolina homeowners are making their properties much more attractive for the entire family and not just for older golfers. By installing the most advanced Simulators on the market, featuring over 1,600 sporting venues, 525 game challenges, and 28 different sports. Often integrated with 4K Cinemas the family have the choice of watching the latest online movies, from Netflix and Amazon. Alongside playing the most popular American sports such as Gridiron, Soccer, Ice Hockey, Baseball, Tennis, Basketball, Golf, Shooting, Nascar, Formula 1 and 18 other Sports. Another 16 Sports, 200 Game Challenges are in development and are due for release throughout 2020, being regularly updated online free of charge. Ensuring that these Carolina Residences are continually popular with all age groups, within the family. Ultimate Simulators have become "The Entertainment Choice" for well-known celebrities, as well as raising the value of their own residential portfolio.
