

FUN FACTORY OPENS BIGGEST GAMING ZONE COMPLEX IN SOUTH ASIA

Bashundhara City is already the most popular shopping and recreation centre in Bangladesh. The 19 floor building is the second largest shopping mall in Bangladesh and rated one of the top 5 malls in the world. Dhaka's mall has 2,325 retail stores attracting 200,000 daily visitors and as many as 500,000 during festivals. The mall offers 3D cinemas, an international food court with over 100 restaurants and fast food outlets, a gym, swimming pool, health club, spa and rooftop garden. Toggi World, a one-stop indoor entertainment zone designed for kids, offers thrilling rides, fun games, soft play and kids bowling. A second entertainment zone, Ultimate Fun Factory, is located on 14th-18th floors and offers over 50 games within a Racing Zone, War Zone, Virtual Reality Zone, Arcade Zone and Sports Zone. The installation of 4 Sports Simulators within the sports zone are proving very popular. Normally the simulators are configured for Cricket, Football, Golf, Field Hockey, Tennis and Footgolf, but they are also regularly switched to any of the 25+ available sports to give variety and keep sporting fans fully entertained.
