

## PURPLE DRAGON WORLD'S BEST FAMILY CLUB – THE PLACE FOR CHILDHOOD EXPERIENCES, LIKE ULTIMATE SIMULATOR!

Purple Dragon is the world's leading family club – there is now a place where London celebrities confidently leave their children because when it comes to family time, every moment is special. Designed as a home-from-home environment, the club offers an abundance of signature adventures and experiences which have been specially devised to help children boost their confidence and creativity. Parents and children can relax and be entertained playing the Ultimate Simulator with over 45 Sports, Golf and Racing Simulator. Whilst children are having fun, there is an educational framework to everything they do, all underpinned by key learning objectives. Learning through play is one of the core, founding principles of Purple Dragon – happy children learn best! Their Montessori-led adventures have been devised to help foster independence, resilience, teamwork, problem-solving and confidence, whilst allowing children the freedom to explore and discover in a safe and enriching environment. "Play is the serious business of childhood." Lots of daily adventures like driving Mini Maestros, playing instruments in the music room, painting in Da Vinci's workshop and Simply Sensory in the art lab; Michelin Masters and Power-Up Smoothie Making in Gourmet Gofers; Super Hero SOS and Campfire Adventures in the High Rollers High Energy Zone; Tall Tales, Sensational Stories and Amazing Adventures in their Imaginarium. Grown-ups can join in the fun, kick back and relax with friends in their library or restaurant, or catch up with some work with their super-fast wifi.
