

SPOOKY FESTIVAL REMEMBERING THE DEAD AND FAITHFULLY DEPARTED, PLAYABLE DURING OCTOBER ON SIMULATOR

Sports Simulator have created the perfect Halloween Activation ensuring that any commercial establishment can encourage public participation throughout October with sports fans able to play hundreds of enjoyable challenges on the world's leading sports simulator. Featuring a vast array of animating characters such as zombies, vampires, werewolves, flying witches, ghosts, mummies, spiders, walking dead, skeletons, Frankenstein, pumpkin monsters, flying bats, devils and Grim Reapers. Animated horror film scenery includes bonfires, creepy village, spooky graveyard, dead forest, witches cauldron, tombstones, windmill, full moon, blood splatter, pumpkin patch, torches, fog, starry skies, broomsticks, jack-o'-lanterns and shacks. Keep Halloween creepy with a vast array of sound effects such as haunting, howling wolves, cackling witches, scary footsteps and similar sounds to certain movies. Using Contest Play or Match Play ensures players are competing in many enjoyable game challenges, with many recognisable horror scenes within the 360° environment. Sports playable include Soccer Futsal, Tennis, Contest Golf, Ice Hockey, Basketball, Handball, Netball, Volleyball, Discus, Shot Put, Archery, Contest Frisbee, Badminton, Dodgeball and Padel. The Sports Simulator development team are currently creating Christmas and Easter environments, so family entertainment is maximised all year round.
