

## SUPER SIMULATOR HAS EVERY MAJOR SPORTS STADIUM, ARENA & VENUE PLAYABLE MONTHLY; THROUGHOUT 2021

Sports Simulator realises the importance for the leisure industry to have every major sporting venue playable throughout the world, especially after Covid-19 prevented everyone from playing their favourite sports or watching their favourite teams' play during the lockdown. This frustration has increased the entertainment needs for sports fans wishing to play their favourite sports safely inside their own teams' sporting venue. Increased empty space in shopping malls and towns as the public of all ages now buy online, is creating exciting opportunities for the leisure industry as the public wants to spend more time being entertained. It's now possible for simulator centres to open with reduced rents, as landlords need to rent out their empty stores in desirable locations. Centres are very profitable, attracting more clients to play every day of the year focusing on the world's most popular sporting events, with 40+ sports, 685+ game challenges and 2,468+ sporting venues. The Sporting Calendar covers every single month of the year, the most popular indoor sports being Ice Hockey, Basketball, Volleyball, Soccer Futsal, Badminton, Squash, Padel, Netball, Handball, Bowling, Curling, Mini Golf, Korfball, and Dodgeball. Most popular outdoor team sports played being Football, Gridiron, Cricket, Golf, Tennis, Motor Racing, Rugby Union, Baseball, Rugby League, Nascar, Softball, Field Hockey, Foot Golf, Aussie Rules, Bandy, Gaelic Football, Disc Golf, Rugby Sevens, Twenty 20, Archery, Discus, Shot Put, Boules, Lacrosse and Hurling.
