

## **CASHLESS SIMULATOR**

## SPORTS SIMULATOR LAUNCHES SOCIAL DISTANCING SOLUTION, INTEGRATING RFID CASHLESS PAYMENTS FOR INDOOR SPORTS.

The Leisure, Entertainment and Amusement Industry have requested a technology that will keep customers' fully entertained whilst enforcing social distancing and safety during the COVID-19 pandemic. Family Entertainment Centres and Sports Bars are now able to integrate the RFID system with other activations, food and drink, so increasing turnover whilst being fresh and exciting. Sports Simulator and the India-based, RFID venue management solutions provider Semnox have joined forces, providing a safe solution for the entertainment market. Our customers can now benefit from having the most advanced Sports Simulator integrated with the leading cashless payment system, ensuring that their centres now comply with government rules and run entirely safely throughout these troubling times.
