

PLAYING SEVERAL GAMES AT NIGHT COMPETING INSIDE FAMOUS CITIES, 1,000+ STADIUMS AND ENVIRONMENTS

Several night time game challenges are now playable within famous cities like London, New York and Paris, with other cities in development. Players can practise or compete within worldwide or in-house tournaments, shooting at 10 illuminated interactive targets at 6 varying distances. Currently, there are 5 game challenges night targets, night shot, night tension, night snooker and night chip, with other challenges being reviewed. Golfers playing inside realistic environments such as Range, Desert, Forest and famous cities. Sportsmen and women also competing inside 1,000+ famous stadiums for Football, Gridiron, Cricket, Rugby Union, Baseball, Field Hockey, Rugby League, Aussie Rules, Softball, Rugby Sevens, Twenty20, Archery and Discus. Coaches are now offering the very highest levels of lessons available worldwide, integrating the unique Interactive Flight Analysis. The last 10 shots can be fully analysed from 4 separate positions, along with the complete shot and average performance data. Academies are utilising this to enhance their training experience for players, as well their reputation for coaching. Night Challenges are extremely entertaining ensuring great revenues for Golf Centres, Sports Bars, Family Entertainment Centres, Sports Academies, Amusement Centres, Hotels, Leisure Centres and any Commercial business.
